PROFILE

Junior Web Developer with 10 years of experience in IT help-desk for the U.S. Coast Guard. Strong background in troubleshooting and understanding user-friendly solutions to everyday problems and training on how to utilize technology using plain English. Recent graduate of UT Austin Coding Boot Camp (Skills acquired listed below). Passionate about helping others achieve their goals through collaboration by pointing out their strengths and using them to their best ability. Always continuing to strengthen my abilities as a web developer and as a small team leader.
